

Dear parents and carers,

The children all enjoyed dressing up as characters from a book today! It has been good to listen to them talking about their characters and books they are from.

If anyone has any thoughts on the bible verse that we should have to represent our vision, then please e-mail the office by the end of today.

Zoe Bear Award

**To
Charlie
For Compassion**

GOLD AWARDS

Class 1 **The whole class** for their planning and preparation for their “Special Person” tea.

Class 2 **Grayson** for his sustained effort in all areas of learning and **Lily** for her effort in writing.

Class 3 **Maximus R** and **Freyja** for great work in fractions.

Class 4 **Charlie G** for creative artwork on rainforests and **Freddie B** for an amazing week!

IN SCHOOL THIS WEEK

CLASS 1 Another busy week in Class One! We started the week preparing for our Special People celebration. We baked biscuits, made sandwiches and drew our special people a beautiful picture. We had a lovely time with our visitors and finished by performing our Seed song. We have also been learning about fossils and made our own out of salt dough. A big thank you to Mrs Chantler, our Mystery Reader on Thursday who read 'The Lion Inside' and modelled various yoga moves linked to the story for the children to try.

CLASS 2 We have had another busy week: we started our new Science topic on plants; we looked at human and physical aspects of the landscape in Geography. We have ended the week with a celebration of World Book Day: we shared our books with Class 4 and were treated to an impromptu performance of a book, to end the day.

CLASS 3 Class 3 had a great time this week acting out their ideas for a story based on The Last Bear. They were fascinated to learn about coastal erosion and asked some very inciteful questions. They continued to get to grips with fractions. In Science they had fun investigating gases in fizzy drinks.

CLASS 4 This week, in English lessons, we have enjoyed planning the next chapter of our book “Journey to the river sea”. We have also continued painting rainforest pictures developing our colour mixing skills. As part of World Book Day we have written book reviews about our favourite books and recommended books to read.

Thank you to Gemma King who organised the beautiful plants for children to buy for Mothers Day this weekend.

A BIG congratulation to Christopher for winning the logo competition for designing the logo for the 175 year anniversary for the viaduct celebrations. Thank you to Kath and Peter for coming to our Gold Book assembly this morning and announcing the winner and presenting the prize.

WORLD BOOK DAY AT CHAPPEL

It was wonderful to see the marvellous World Book Day costumes today. The children loved sharing books with each other and across the different classes this afternoon.
