

Lost in the Jungle!

As geographers we will:

- Look at human and physical features
- Investigate different rainforests
- Find out where different rainforests can be found around the world
- Learn about different biomes

As writers we will:	As Mathematicians we will:	As scientists we will
<ul style="list-style-type: none"> • Create a narrative tale about animals in the jungle using speech, fronted adverbials, and connectives • Form our own poetry based around jungles using a range of descriptive writing techniques 	<p>Roman numerals</p> <ul style="list-style-type: none"> • Recognise and use Roman numerals <p>Place Value</p> <ul style="list-style-type: none"> • Count in multiples • Recognise the value of each digit • Compare and order numbers • Solve number word problems 	<p>Plants</p> <ul style="list-style-type: none"> • Identify and describe the functions of different parts of flowering plants • Explore the requirements of plants for life and growth and how they vary from plant to plant. • Investigate how water is transported within plants • Explore the part flowers play in the life cycle of flowering plants
<p>We also hope to cover:</p>		
<ul style="list-style-type: none"> • Design and Technology – Creating a suitable structure to help animals • Art – Printing • RE – Christianity – The importance of Jesus to Christians • PE – Football (outdoor), Dance (indoor) • Music – Brass lessons
