

Ancient Greece

As Historians, we will:

- Know the legacy of Greek culture (art, architecture or literature)
- study Greek life and achievements and their influence on the western world, including the Olympic Games and democracy
- develop a chronologically secure knowledge and understanding of world history
- understand how our knowledge of the past is constructed from a range of sources
- note connections, contrasts and trends over time and develop the appropriate use of historical terms.

As writers we will:	As Mathematicians we will:	As scientists we will:
<ul style="list-style-type: none"> - Study the class book 'Who let the Gods out' by Maz Evans - Read and write Greek myths and legends - Write a letter of complaint - Write and perform play scripts - Learn and use spelling rules and patterns - Use a range of punctuation effectively - Understand active and passive voice - Use dictionaries and thesauruses to develop vocabulary - Know and use different types of connectives and adverbials 	<ul style="list-style-type: none"> - Know and use formal methods of multiplication and division - Know and use fractions, including mixed numbers and improper fractions, comparing and ordering fractions, adding and subtracting fractions - Continue to read and interpret line graphs, charts and tables - Know multiples, factors, primes, squared and cubed numbers - Practise times tables and recall facts quickly and accurately 	<ul style="list-style-type: none"> - read, spell and pronounce scientific vocabulary correctly - identify and name the main parts of the human circulatory system, and describe the functions of the heart, blood vessels and blood - recognise the impact of diet, exercise, drugs and lifestyle on the way bodies function - describe the ways in which nutrients and water are transported within animals, including humans - carry out investigations; make decisions about what observations to make, what measurements to use and how long to make them for, and whether to repeat them.

We also hope to cover:

Art- design and create papier-mache vases telling a Greek myth or event
 D/T- understand how Ancient Greek architects have influenced the world
 RE- Understanding Christianity-incarnation; Christmas- the events leading up to the birth of Jesus/ accounts from the Gospels
 PE- Dodgeball with the epc coaches. Dance on Mondays
 French- Rigolo 2: L'ecole. Subjects in school, likes and dislikes
 Computing- Purple Mash scheme: Databases. Children can search for information and create their own database on our Greek topic
 Music- Keyboard lessons; Christmas carols for the church service
 PSHE- Jigsaw theme- Celebrating difference
