

Who pays the price?

As geographers we will:

- Investigate the impact of humans on the environment.
- Explore how we can help look after others and the environment.
- Look at physical and human changes over time, including in our local area.

As writers we will:	As Mathematicians we will:	As scientists we will
<ul style="list-style-type: none"> • write a persuasive writing text around the topic of deforestation • Create a newspaper report informing people about the Pacific Ocean Garbage Patch 	<ul style="list-style-type: none"> • To learn the formal written method for multiplying and dividing • Decimals (year 4) • Mass and capacity (year 3) 	<p>Living things and their habitats</p> <ul style="list-style-type: none"> • Recognise that different living things can be grouped • Explore and use classification keys to group a variety of different living things • Recognise that environments can change and how this sometime cause problems for humans
We also hope to cover:		
<ul style="list-style-type: none"> • Design and Technology – design and create a water filter • Art – sculpture and drawing • RE – Christianity 2 • PE – Basketball (outdoor), Dance (indoor) • Music – Brass lessons
