

All weather and seasonal access

Access

All areas of the school site will be used when staffing levels allow. The play team will staff different zone on the playground and field.

Wellies and clothing

Children are encouraged to have wellies in school so they can change their shoes when moving to muddy and wet zones. Children need to change into joggers and trainers if they want to play football. When children are playing in the water zone, they need to wear wellies and wear waterproof trousers over their uniform.

We recognise that children have autonomy over their bodies and may feel warmer than adults after running around, so they will decide for themselves whether to wear their coats at lunchtime. The only exception is when the weather is extremely cold.

Wet lunchtimes

In the rare cases of wet lunchtime, children will remain in their classrooms and will have the opportunity to play with the indoor games. However, children need to be prepared for all kinds of weather and will go outside during light rain.
