“On track for success”

Dear parents and children,

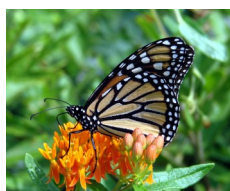

What a beautiful day to end the week on and head into the bank holiday.

I would like to say a special thank you to Rosie Bull for giving up her time to come in and speak to the children about her job as a vet. The children were all in awe and she has hopefully inspired the vets for the future.

We celebrated all the children who took part in the London Marathon last weekend today and we are so proud of how many children were able to take part. They proudly showed off their medals and are looking forward to running again next year. Well done everyone.

A handwritten signature in black ink that reads 'Sarah Piffill'.

**“Every day may not be good,
but there is something good in
every day.”**
